

## ISO 9001-2008 Certified

### **This assures our customers that HDC is:**

- Meeting customer expectations
- Conforming to internationally recognized guidelines
- Maintaining high standards and stringent regulatory requirements

### **This enhances our customers' success by:**

- Assuring better control of the production process
- Eliminating of errors in the field
- Documenting and tracking everything
- Getting products to market faster

## cGMP Compliant

- The principals for cGMP (current Good Manufacturing Practice) compliance are contained in the ISO 9001-2008 certification guidelines. Hooven-Dayton Corporation is compliant with cGMP standards.
